

WeldSense™ 73 Series PORTABLE FUME EXTRACTORS

WeldSense™

from Associated Equipment Corp.

EQUIPMENT, PARTS AND ACCESSORIES LIST

MAIN UNITS	
Includes pre-filter, main filter, 10 foot extraction hose, extraction hood & magnetic base assembly	
WeldSense Single Speed Portable Fume Extractor w/ HEPA Filter, 113 CFM	73-100M
WeldSense Single Speed Portable Fume Extractor w/ 95% Efficiency Filter, 226 CFM	73-200G
WeldSense Single Speed Portable Fume Extractor w/ HEPA Filter, 226 CFM	73-200M
WeldSense Single Speed Portable Fume Extractor w/ Cleanable Filter, 226 CFM	73-250
WeldSense Two Speed Portable Fume Extractor w/ 95% Efficiency Filter, 113 / 226 CFM	73-201-95
WeldSense Two Speed Portable Fume Extractor w/ HEPA Filter, 113 / 226 CFM	73-201-HEPA
PRE-FILTERS	
Ace Portable Fume Extractors require (1) pre-filter as determined by work application (except 73-250)	
Pre-Filter, General Use, 12"x12"x1", Carton of 6	65011
Pre-Filter, Charcoal Activated for Odor Control, 12"x12"x1", 1 Each	65037
Pre-Filter, Charcoal Activated w/ Zeolyte for Odor Control, 12"x12"x1", Carton of 6	65044
Pre-Filter, Aluminum Mesh for Oil Control and Secondary Spark Arrestor, 12"x12"x1", 1 Ea.	65013
MAIN FILTERS	
Ace Portable Fume Extractors require (1) main filter as determined by work application	
Main Filter, HEPA, for Stainless Steel Welding, Hexavalent Chromium Control, 12"x12"x11.5"	65010
Main Filter, 95% Efficiency, for General Carbon Steel Welding, 12"x12"x11.5"	65009
Main Filter, 65% Efficiency, for Large Particulate Welding, Sanding, Grinding, 12"x12"x11.5"	65008
Main Filter, 99.5% Efficiency, Cleanable Canister for 73-250 only	65250
ACCESSORIES	
Sold separately, not included with main unit	
Two Operator Assembly (includes one each of T adapter, hose, nozzle/magnetic base assembly)	65013
MIG Gun Adapter, 1.5" Connection, for Ace Portable Extractor	65041
MIG Gun Adapter, 1.25" Connection, for Ace Portable Extractor	65043
Slot Hood, 20" Wide, for Ace Portable Extractor	65036
WeldSense Arc Sensor w/ UV Detector	99-WS1257
REPLACEMENT PARTS	
Contact factory for all cabinetry parts	
Motor for Ace Portable Extractor, (includes gasket) 113 cfm, 7 amp	65001
Motor Gasket for Ace Portable Extractor	65002
Motor Brush Kit for Ace Portable Extractor, one pair (contact factory for older version)	65077
Power Switch for Ace Portable Extractor	65005
AC Power Cord for Ace Portable Extractor	65055
Pressure Differential Switch Ace Portable Extractor	65006
Filter Status LED Light for Ace Portable Extractor	65004
Hood/Hose, Magnetic Base Assembly for Ace Portable Extractor	65076
Hose, 10 Foot w/ Coupler for Ace Portable Extractor	65017
Steel Flex Tube for Ace Portable Extractor	65012
Magnetic Base Assembly for Ace Portable Extractor	65014
Slot Hood, 12" Wide, for Ace Portable Extractor	65019
T Adapter For Two User Operation (for two-user assembly, add 65076 to 65040 or purchase 65013)	65040
