

BM88CR MIG Glove

A5 Cut Resistant Pigskin & Cowhide

ANSI A5 CUT PROTECTION

Cut resistant version of our best-selling BM88 MIG Glove. The para-aramid cut-resistant liner has outstanding strength-to-weight ratio and high tenacity, making it difficult for it to be cut or frayed. Stainless steel fibers included in the liner offer even more protection.

FEATURES & BENEFITS

- Padded pigskin palm for comfort with high tactile performance
- ANSI Cut Level A5 para-aramid liner
- EN388 Cut Level 4
- ANSI & EN388 Puncture Level 4
- DragPatch® offers extra hot zone protection
- RestPatch® provides enhanced wrist padding
- Kevlar® stitching provides spark and abrasion resistance
- Sizes: M-2XL
